It is a violation of federal law for a housing provider to refuse to rent or sell a home, to offer unequal terms, quote different prices, or apply different policies on the basis of race, color, religion, disability, or handicap, sex, familial status, or national origin. State law prohibits discrimination on the basis of marital status, ancestry, age, or familial status. Fair Housing Amendments Act of 1988 bars discrimination in the sale or rental of housing on the basis of a disability or because there are children in the family, but exempts housing for older persons.
