When Cornerstone of Topeka Opens to the Public

Please be aware that when we reopen, all those that enter the office will be REQUIRED to wear a mask. This is for your protection as well as ours.

COVID-19 & Work Orders

As of June 24, 2020, when a tenant calls into the office for a work order, our staff will be asking the recommended questions related to Covid-19 symptoms. For the safety of our maintenance staff, household members will be required to wear a mask or choose to step out of the unit while Maintenance is on site. It is the tenant's responsibility to let our office know if anyone in your household has COVID-19.

THANK YOU!!!

From all the staff at Cornerstone of Topeka, we want to thank all our tenant's for being so accommodating during this difficult time. At this moment, we do not have a set date for reopening to the public. Thank you for your patience and for using the drop box. Please continue to call us regarding any maintenance requests and questions you may have.
